

Question & Answers

Why should I Replace my faded licence plate?

The Road Traffic Act & Regulations require that where a licence plate has been defaced or rendered illegible, the registered owner to which the plates relate, shall make an application for a replacement as soon as possible.

What documents do I need to replace the faded plates?

- Valid Certificate of Fitness
- Valid Insurance Certificate or Cover note
- Valid ID (Passport, Driver's Licence or National ID)
- Taxpayer Registration Number (TRN)
- Completed application for Motor Vehicle transaction form (MVO1)
- Pay applicable fees at cashier
- An authorization letter from the individual or company accompanied with a valid ID (Passport, Driver's Licence, or National ID) is required if a bearer is completing transaction.

What is the processing time to replace the faded plates?

- Approximately 3 months

What should I do, when the plates are being processed?

- Continue to operate the motor vehicle with the faded plates
- Travel with the proof of payment, if stopped by a Police Officer
